In Chancellor's Shadows

Chiaroscuro is the artistic use of shadows and light to bring about a new dimension or outlook. By the use of contrasts, *chiaroscuro* makes something stand out — become noticed — where before it was, perhaps, hidden in some real or metaphorical shadow. Antiques are refurbished for current use; an actor slowly emerges from the dark corners of a stage into the light; a student's bookbag is finally cleaned out and restocked for another school year; our pasts light the way of our tomorrows.

This book is dedicated to the tomorrows of those students it represents, especially the Class of 1994, whose bright futures are most clearly seen here. As they emerge from their past schooling, our challenge is to reflect in this book not just their todays, but also the light of their futures. We call this effect the Charger Chiaroscuro of 1994.

Life Cycles

Each Chancellor student's life is unique, but during the course of high school, all students gain respect for faculty members and administrators, . . .

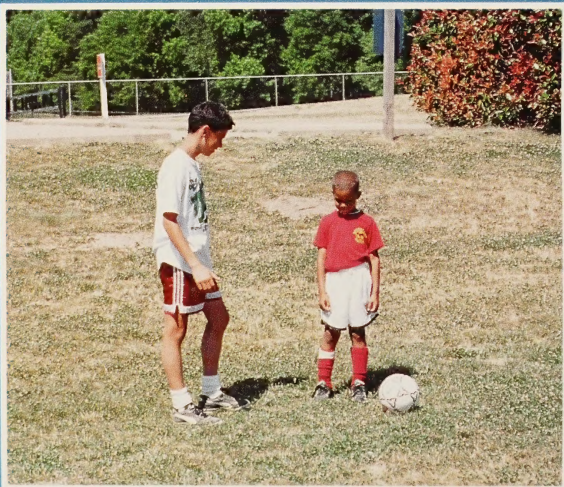

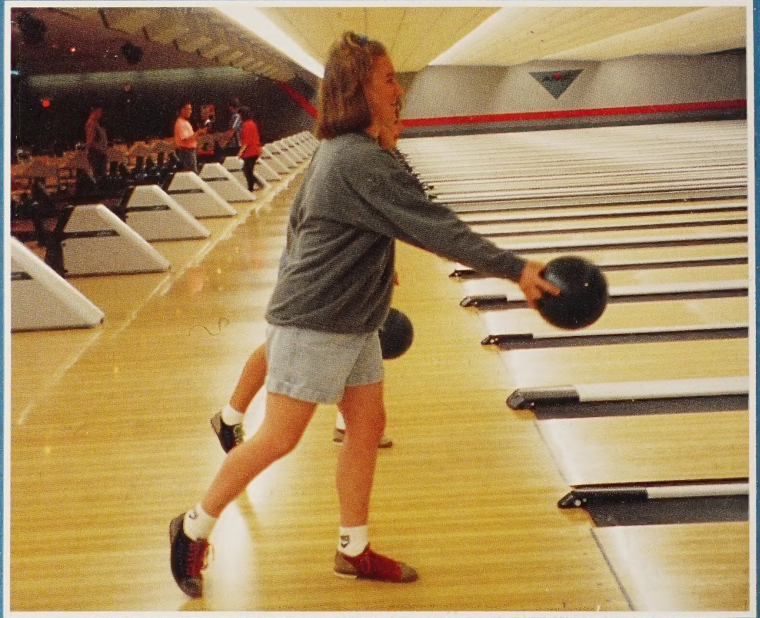

Create friendships and memories they will cherish forever, . . .

And learn skills in the classroom which they will use long after high school is over.

Long Summer Short

Summertime is usually a time of rest and relaxation, but Chancellor students still managed to stay busy in the heat. Tina Owens demonstrates her bowling skills, as Ben Gordon teaches soccer at a day camp. Sarah Rudd, Stephanie James, and Meghan Gallagher are enthusiastic about going to cheerleading camp. Joy Mulheron and Arianne Clifton show off their tattoos, as Mrs. Bucky and Mrs. Cohen enjoy the scenery. The field hockey team enjoyed a whipped cream fight to take away the pressures of hockey camp.

Days Produce Shadows

Practicing From Dawn Til Dusk

In order to have success during the school year in extracurricular activities, Chancellor students start practicing before school begins. Melanie Izzo does drills to improve her footwork needed to be a field hockey goal keeper. During camp at North Carolina State, cheerleaders dress up as "Coneheads" after a hard day of competing. Throughout the month of August, the marching band and color guard work all day to get ready for their season. The football team also began practicing early to get prepared for the tough games ahead. Lori Cramer, Katie Simpson, and Cara Wise relax after a hard day at basketball camp.

By working long hours during the summer, our students are in condition for the competition ahead. David Marker even prepares for the spring soccer season, way in advance, by working at a day camp.

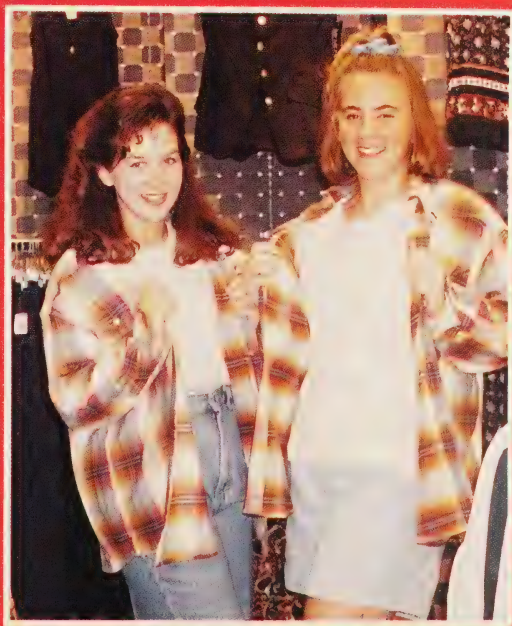

Chancellor Students Are In The Limelight

Students at Chancellor keep themselves busy during the summer and continue working for local businesses throughout the school year.

During Work And Play

The Spotsylvania Mall provides enjoyment as well as employment to Chancellor students.

Spirits Rise At . . .

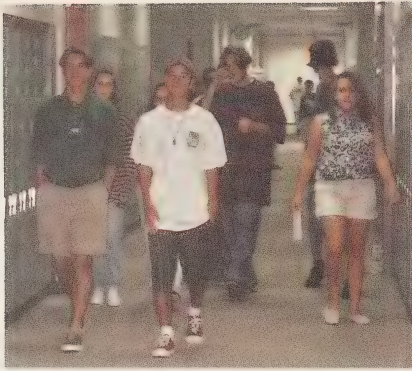

Chancellor High was electrified after our first pep rally. The seniors marched in with their mortar boards. The cheerleaders led a relay race with the fall sports teams battling to see who is the best. And which team won? The Varsity Football team dominated and this continued on into the night with a 34-0 thrashing of James Monroe High School.

Chancellor High

Shades Of Summer Are Gone . . .

Jason Marcus, Dave Marker, and Julie Marlin walk down the hall to go to class. Marcy Turner goes home after a long day of school. Sean Dwyer and Tony Essalih check out their lockers to see if it is in working order. Freshman Allison Marcus tries to find her way around school. A classroom of Freshmen are excited to finally be in high school. Ryan Geis, Emily Damasco, Nick Stone, and Justin Smith wait in the auditorium for the motivational assembly. Stephanie Barrish and Tara Morisak walk into school after being dropped off. Sophomores sit in homeroom on the first day of school, reacquainting themselves with familiar faces. First year Assistant Principal, Mr. Hovanic, talk to Mike Vandevander and Mike Williams.

It's Back To School

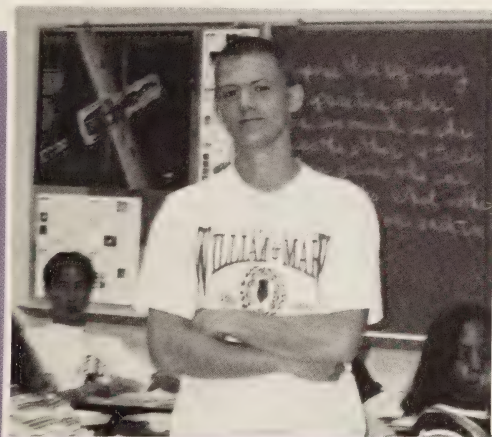

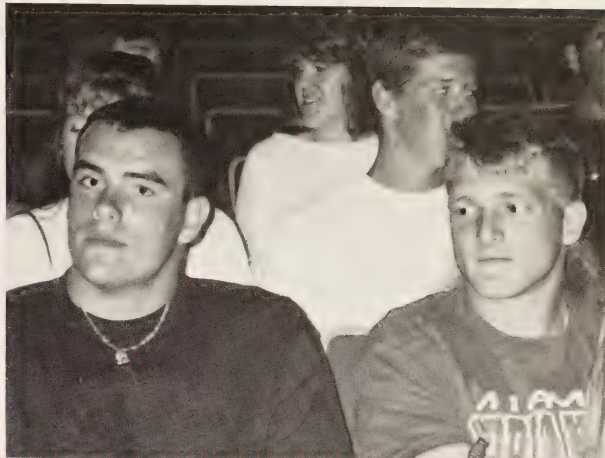

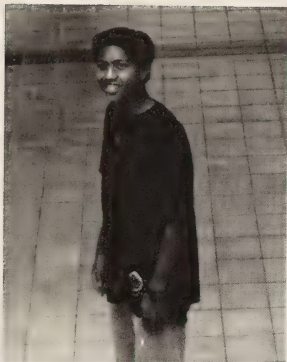

Shades Of . . .

Scottie Davis, Chubby Culbertson, and Kyle Drebes relax in the auditorium. Matt Lux, Shawn Norbrey, and Matt O'Malley walk around the lobby. Whitney McCrum, Jason Marcus, and Dave Marker look toward the camera. Leigh Richards and Ryan Malocha pose for the camera.

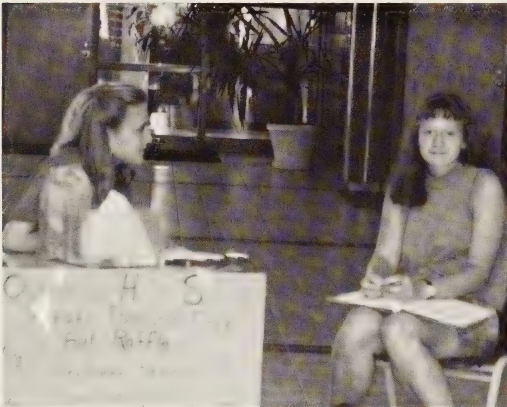

Yesteryear

As Kevin Sambat awaits class in the lobby, Eddie Shelton and Joe Johnson relax during a Senior assembly. Courtney Tillett takes time out of class to show his college spirit. Seniors anxiously sit in homeroom while a group of students leave to go home.

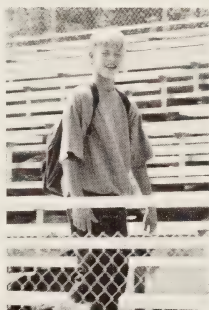

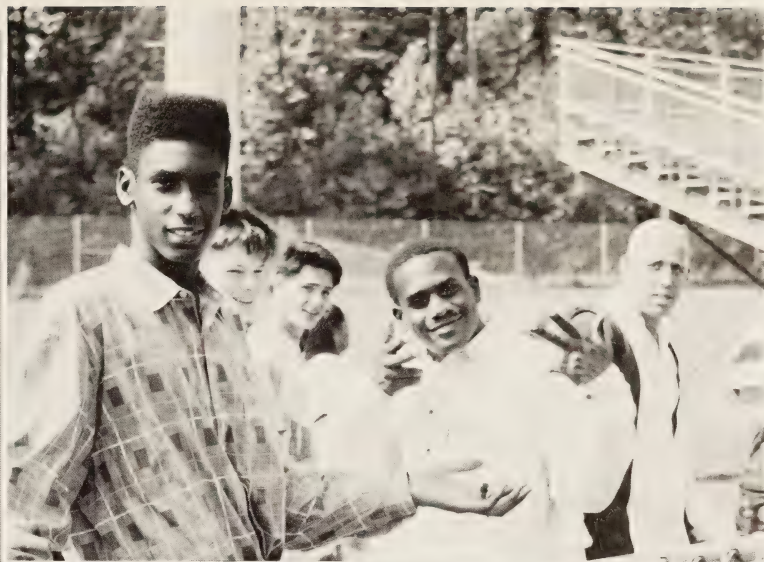

The First Weeks Of School

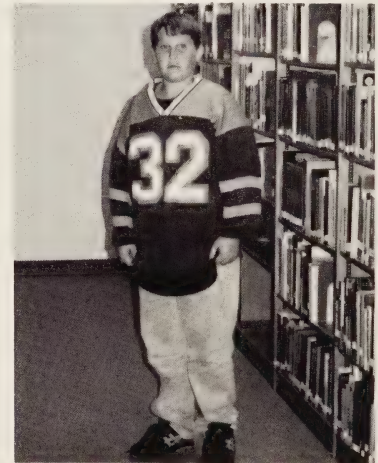

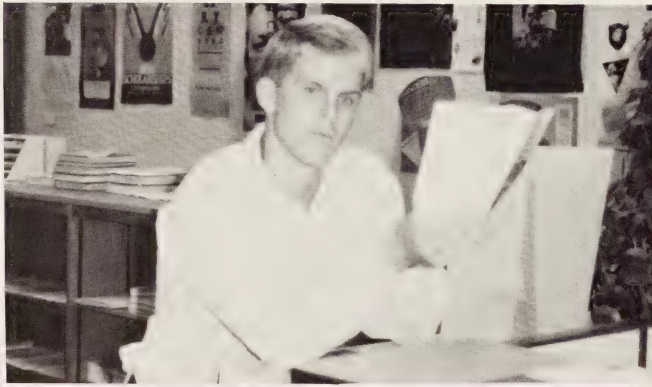

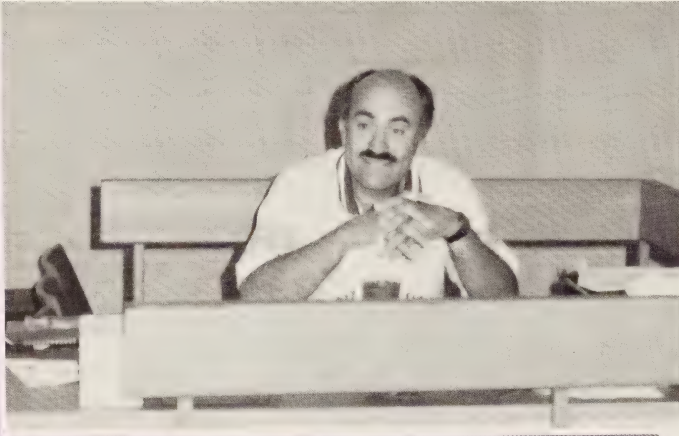

The first weeks of school are always the most hectic. Ton Essalih and Brandon Newton relax with friends at lunch. Maggie Richardson and Leigh Richards vocalize at the Karaoke Dance. Natalie Simpson and Amanda Williams sell raffle tickets for the booster club. The cheerleaders test their skills at the Karaoke Dance. Barrett Sullivan and Brian Furrow are happy to finally be sitting in the Senior Territory.

The First Weeks Continue

Manny Bethea and Waymon Lewis stop and strike a pose. Aaron Coe, Shane Reid, and Richard Arrington look for a familiar face. Ben Hulvey walks up to have the class picture taken. Dawn Piedel, McKenzie Douglas, Stacy Frost and Brian Burrow walk in the gate. Israel Lorn, Curtis Carol, Dennis Morgan, and John Johnson discuss plans for the weekend. A group of sophomores prepare for the class picture.

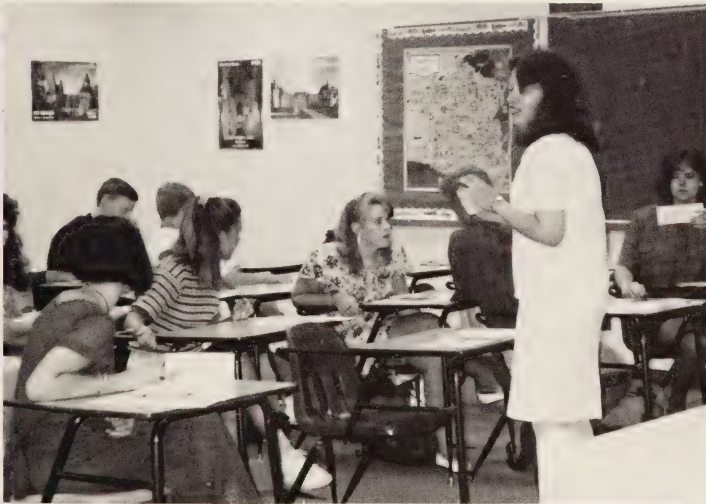

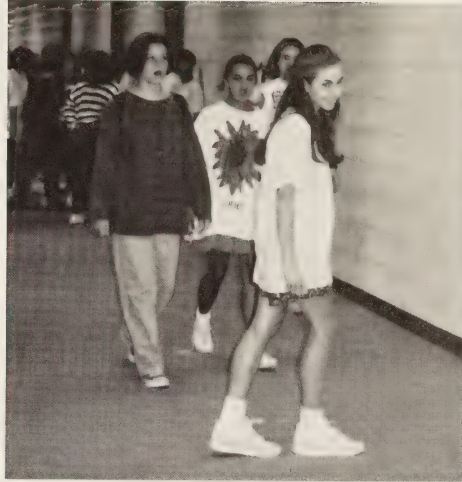

New Years Bring . . .

New assistant football coach and teacher Mr. Collins explains something to his class. Our three exchange students are Yuko Fukuda, Stian Veka, and Ulrike Troppmann. New transfer from New Jersey, Justin Bals researches colleges in guidance. Nathan Johnson, a freshman checks out the library.

New Faces

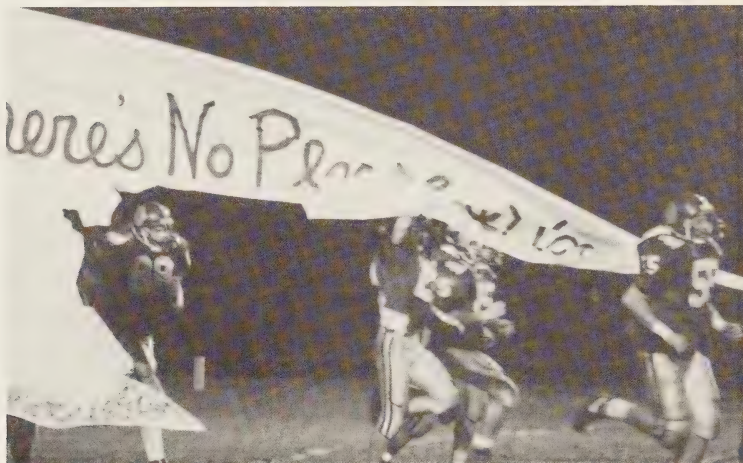

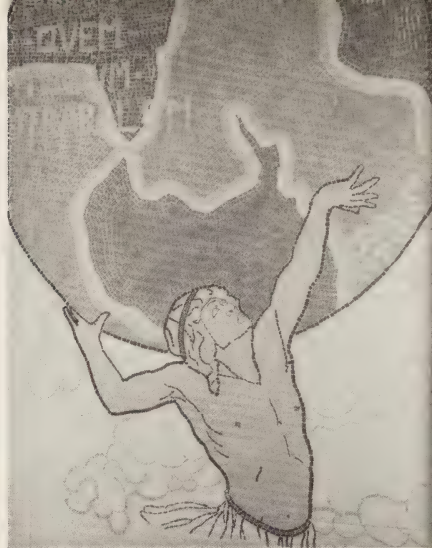

One of our new faces is a new science teacher, Mr. Stottlemeyer. The Freshmen adjust to P.E., and freshman Landry Helper sits in the hall. New Spanish teacher, Mrs. Lopez, teaches her class.

There's No Place Like Home

For Homecoming 1993

It truly was a "wonderful world" for our homecoming, with many things to come home for. What to come home and see? How about the over two dozen decorated walls at school, including the prize-winning Latin wall? or the

winning Chargers in our game against Orange? or the dance? or the floats? or the new Chargerette Dance Team? or the cheerleaders at the pep rally? or the band with guest drummer Coach Miller? or just to see friends?

Ask any Charger football player which homecoming moment was the most wonderful, and he'll say it was when the Orange team's tie-making point-after-touchdown kick was blocked by our defense led by Darnell Alford. At the left is this same top-notch defense ruining another Orange play.

*It's A
Wonderful
World!*

Wonderful World

*I see trees of green, red roses, too.
I see them bloom for me and
I think to myself — what a wonderful world!*

*I see skies of blue, clouds of white,
The bright blessed day, and the dark, sacred night.
and I think to myself — what a wonderful world.*

*The colors of the rainbow, so pretty in the sky,
are also on the faces of people going by.
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you."*

*I hear babies cry; I watch them grow.
They'll learn much more than I'll ever know;
and I think to myself — what a wonderful world.*

Yes, I think to myself — what a wonderful world.

*Written in 1931 by Oscar Hammerstein II
Made popular by Louis "Satchmo" Armstrong*

This year's homecoming theme, "It's a wonderful world," proved to be true. From the crowning of our king, Jason Marcus, and queen, Ryan Malocha, to our 14-13 win over rival Orange, the festivities were always wonderful. This year's court included freshmen Allison Marcus, Bart Douglas, Shannon Carter, and Jeremy Branum; sopho-

mores Shay Lassiter, Ben Keddie, Nicole Davis, and Eric Stone; juniors Natalie Simpson, Paul Lewis, Jackie Drugatz, and Dickie Weart; seniors Jason Marcus, Maggie Richardson, Jaime Keddie, Shannon Sullivan, Ryan Malocha, Brian Rau, Noelle Cramer, Matt Hopkins, Emily Damasco, and Eric Brendle.

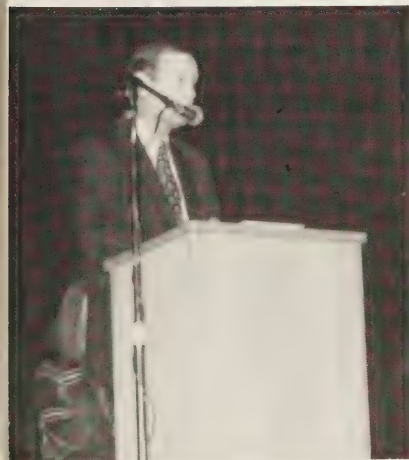

Spotsylvania Vocational Center

The Spotsylvania Vocational Center provides students at Chancellor High School with the opportunity to train and develop in the trade of their choice. The new programs offered include Dental Careers, Media Production, Industrial Maintenance, Electronics, Principles of Technology, and Applied Learning Center. The students are expected to follow all the rules of their home school, in order to learn responsibilities needed in the working fields.

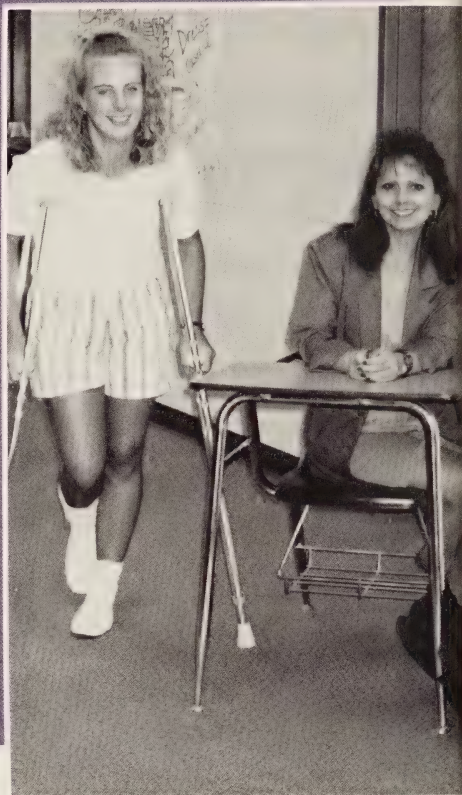

Honors Assembly

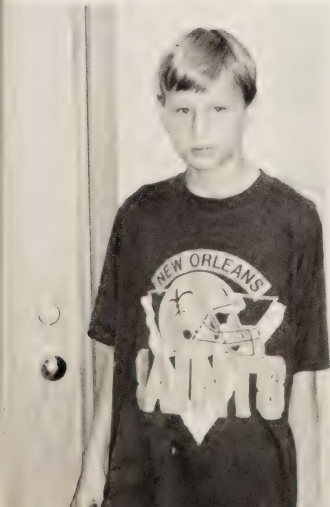

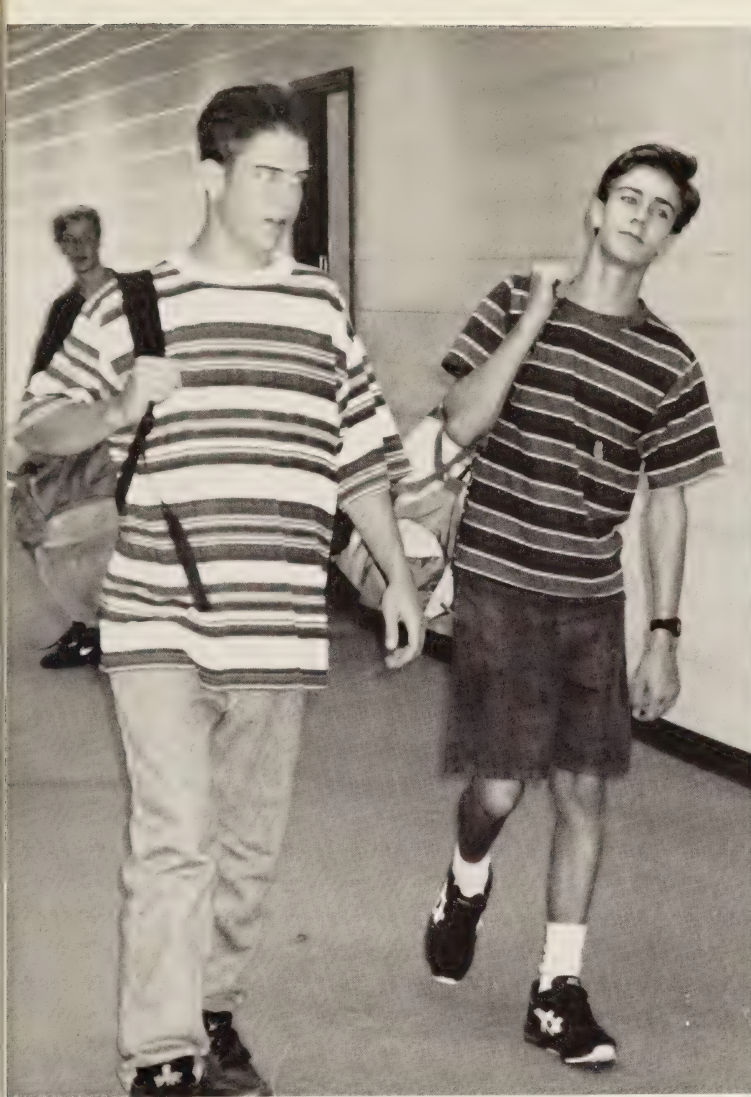

The Honors Assembly allows all students who earned a 3.5 grade point average during the 1992-93 school year the chance to be recognized by their peers and parents. Etta Agan, a Chancellor High School graduate and Mary Washington College student, spoke to all the students during the assemblies. She encouraged each person to strive toward their goals and to never give up. The National Honor Society and Guidance Department were involved in the organization of the assembly.

Stripes Are In!

T-shirt "Fashion"?

Fashion for teens usually means T-shirts, and here it became apparent quickly that stripes are in this year. Sharlene Luna, Kristen Milton, and Tammi Creeman display stripes in T-shirts and shorts. Guys such as Dustin Adams, Chuck Powell, Ahmed Mabrouk, Donnie Martinez, Khalif Rodriguez, and Shane Gray use a combination of denims and stripes in their wardrobes. Specialized tees are worn by Larry Hence and John Paul Hanlin.

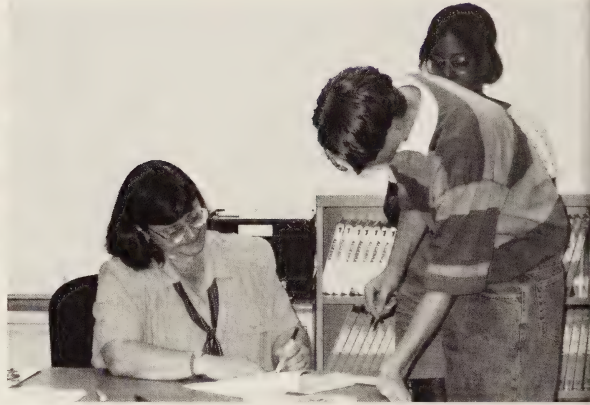

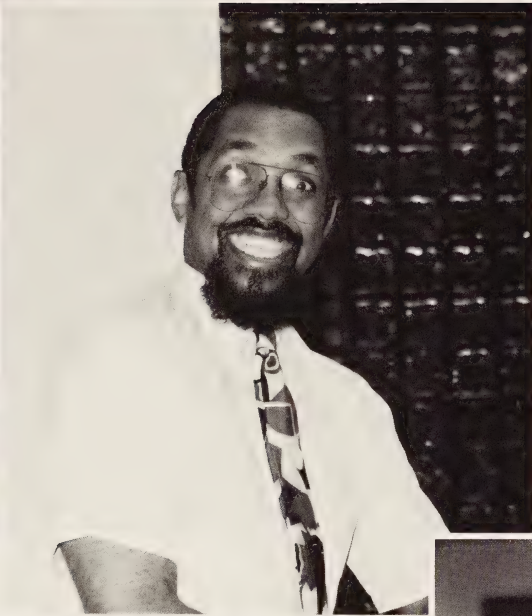

Faculty And Students Enjoy The Festivities

Chancellor High School has always been greatly decorated with the holiday spirit, and this year also proved to be extremely festive. The Guidance office displayed their yearly wreaths and Christmas tree, as the Library and Front Office also expressed their joys about the winter season. The students through various clubs and organizations chipped in to help the families adopted by the SCA. In English classes alone, hundreds of dollars were collected by students contributing their spare change.

Lunchtime serves not only as a time to grab a bite to eat and finish homework for the next class, but students also spend this time enjoying each other's company. Freshmen are enthusiastic about getting to know other students, even those who aren't in their classes.

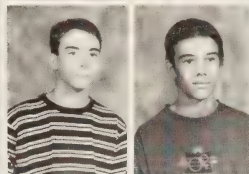

ADJUSTING TO HIGH SCHOOL

Carlene Lanzillotta expresses her carefree attitude during the first days of school. These short homeroom periods give all students the opportunity to hear the school rules and also get all the paperwork taken care of quickly.

The first weeks of school are always filled with mixed feelings for most students. The excitement of new schedules is combined with the sadness caused by the ending of summer. Luckily, assemblies are held for the students to prepare them for the upcoming school years.

FRESHMEN ENJOY THE FESTIVITIES OF HOMECOMING

Homecoming turned out to be an exciting time of the year for the Freshmen class. The class of '97 was represented in the Homecoming Court by Bart Douglas, Allison Marcus, Shannon Carter, and Jeremy Branum. Freshmen also entered a float to show their support for the football team during halftime of the Orange game.

PREPARING FOR THE FUTURE

It is obvious that the majority of Freshmen's time is spent inside the classroom. Although college seems like a lifetime away, most teachers start preparing their students, in order to insure success for the future.

FRESHMEN BECOME ACADEMICALLY CHALLENGED

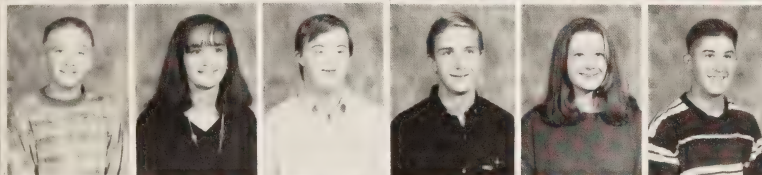

John Picariello shows his attentiveness in class, as Nathanael Hild goes to his next class. The academic course load of most Freshmen is very rigorous compared to their middle school years. Not only do their classes start counting on their college transcripts, but they also provide a good foundation for college.

The Varsity Football team once again proved their dominance in the Battlefield District by winning another District championship in 1993. The Chargers were 9-1 in the regular season and captured their third district title. They were ranked #1 in the region, #18 on the Washington Post poll, and #5 in the AP Poll for AA, and the VHSL AA Power Points poll.

Besides having team success, the Chargers had many receive individual awards for excelling on the football field. Brian Furrow made first team All-State AP. In the Battlefield District first team honors were given to Furrow, Darnell Alford, and Barrett Sullivan. The All-Area team consists of Chris Browne, Brian Furrow, Darnell Alford, Barrett Sullivan and Brian Rau. Making the second team All Region were Brian Furrow, Barrett Sullivan, and Darnell Alford.

Above: Fullback Scott Elder leads the play as the offensive line holds up the defense. Eddie Shelton celebrates after scoring a hard fought touchdown. Dwayne Shelton fields a punt and rushes down field. Brian Rau interprets the signals being given to him from the sideline.

Both Varsity and Junior Varsity teams used hardwork and commitment to succeed this year. The offensive line controls Spotsylvania's defense and helps create a big play. J.V. kicker James Marker knocks one through the uprights. The J.V. defense is lined up and ready for action. Barrett Sullivan celebrates after a great defensive play. Brian Rau prepares to make a great catch. Running back John Johnson attempts to beat a pursuing defender.

Junior Varsity

Like the Varsity, the Junior Varsity Football team works hard and practices long hours. These young men spent day after day practicing so that in the future they can become members of the varsity squad. The Junior Varsity squad used teamwork and dedication to succeed this year.

The Varsity Field Hockey team once again had an excellent season. In the initial year for a Post-Season District Tournament, the Chargers showed their worth in posting two victories and winning the Championship.

The Chargers compiled a 15-1 overall record, avenging their lone loss to James Monroe in the regular season and in the playoffs. The girls not only won the Tournament, but also were Co-District Champions in the regular season.

Anytime a team compiles such a great record you can expect to receive lots of awards, as was the case once again this year for the team. Co-Captains Ryan Malocha and Natalie Pearman made first team all district along with Joanna Koehler. Second team honorees were Leslie Oxford, Amy Burlar, and Natalie Simpson. Melanie Izzo received honorable mention.

In the team post season awards, Ryan Malocha was the Offensive MVP, Natalie Pearman received the Defensive MVP, Leslie Oxford got the Incentive Award, and Joanna Koehler was given the coaches award.

The team had five seniors this year who will be greatly missed, Natalie Pearman, Sharlene Luna, Susan Lawson, Amy Burlar, Ryan Malocha, and Kim Loughan.

The Junior Varsity team did well again. They compiled a 9-2-1 record, which gives next year a great outlook.

Cross Country Runs For District

Both the boy's and girl's Cross Country teams had good years. The girls finished first in the District, while the boys placed second. Both teams came up ninth in the Region. The girls had two All-District runners, Jenny Gough and Rachel Koehler, with Rachel making All-Region as well. On the boy's side Freddie Beckham, Jason Marcus, Paul Lawson, and Evan Thomas made All-District.

"Conceive It, Believe It, Achieve It" was the motto of the Varsity girls' basketball team, which is understandable as they had a successful season with nineteen victories and six losses. Many of the players on the team received special honors. The 1993 Co-MVP's were Amy Anderson and Julie Smith. Amy was also named to the first team All-District, first team All-Tournament, and second team All-Region. Julie was named to the second team All-District and All-Tournament. Other great players, Lori Cramer and Joy Mulheron, received Honorable Mention in All-District. Brandy Richardson was the recipient of the Charger Award.

The Job Done!

This year's winter cheerleading squad has adjusted very well to its new sponsors, Ms. Buckey and Mrs. Cohen. The sponsors are also to be commended for the long hours that they put in after school. Without them, none of the creative dances and cheers that students see during basketball games and pep rallies would be possible. There are four seniors that will be leaving the squad this year. They are Sarah Baker, Arianne Clifton, Karen McCullough, and Joy Mulheron. They will be greatly missed by both their fellow cheerleaders as well as their fellow students.

Indoor Track provides students with the opportunity to stay in shape during the cold winter season. Many hours of hard and intense training indoors as well as outdoors definitely pay off during competition. Jessica Ainsley and Paul Lewis prove that even before a big meet, there's always time to just relax and chat with friends. Freddie Beckham show that it takes a lot of endurance to be part of the Indoor Track team, as Rachel Koehler shows that it takes much determination as well.

Our Dearest Shane,

Ha! Ha! You thought you would get off easy huh? Not a chance. You are your mom's only child of which she wouldn't change a thing; your grandparents' first child that has put a spark in their lives that only additional grandchildren could add to; a nephew and a cousin to many that love you.

We are so proud of the future that you have chosen of being our first "U.S. Marine."

May god bless all of your endeavors. We all love you and are very proud that you call us

"Your Family."

Yudi Durst and Jeannie Fellingner

High School Friends

*A time to explore, enjoy, experience life together,
And now we must say good-bye,
And prepare for new beginnings.*

Congratulations as you both graduate from high school. The future looks bright, as you both head off to college. We are sure both of you will continue to be successful in the future. Remember, reach for the stars; always aim high; never settle for less. Both of you have made us very proud.

*Love,
Mom's and Dad's*

Misty Thomas and Brian Rau

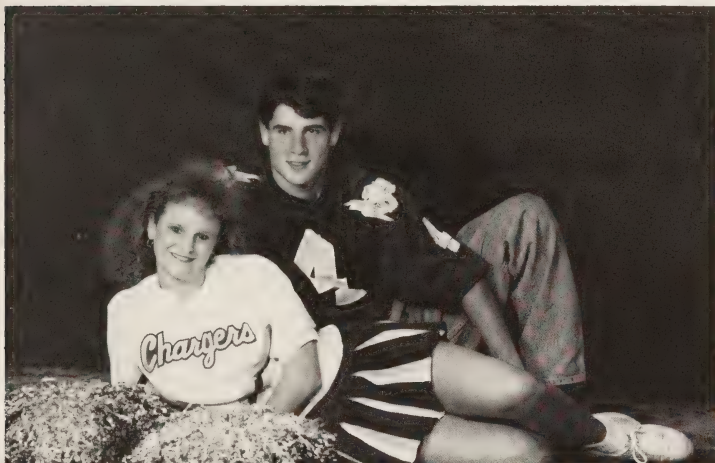

Congratulations Misty and Brian

You have your roots,
now reach for the stars.

Kevin Anderson

Kevin, Once you were my Little Tubba Too! And so quickly you have grown into such a fine young man. Always follow your heart and your conscience, and you will surely succeed. Be loving and generous and always be happy. I'm so proud to call you son.

Love, Mom

Kevin,

As every father's dream to be blessed with a son they can be proud of, you have surely fulfilled that dream. I wish you much success and happiness.

Love, Your S.F.

Kevin Scott Guilliams

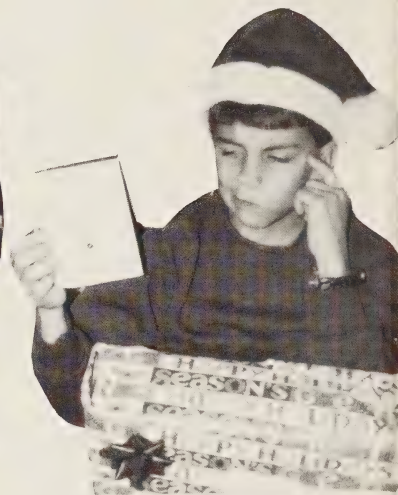

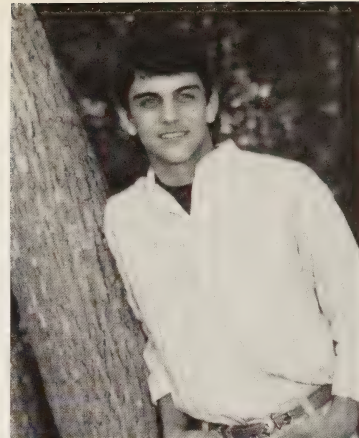

You are a wonderful son. We love you and are very proud of you. Remember our family life and the good times. Also "Zotty" — "Elvis" and "The Steve Shouffle". Also keep looking up and pray. XOXO

Lloyd "Travis" Jett, Jr.

From your first day at the bus
stop to your senior year . . .
thanks for making our job as
parents a joy!

Sweet dreams, son . . . and may all your
dreams and aspirations come true!

Love,
Mom, Dad, and Bambi

Challenges Colophon

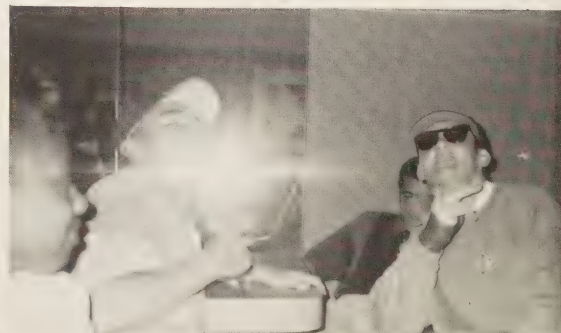

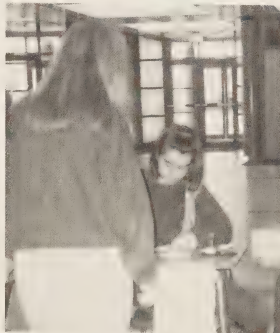

The Challenges staff is into its sixth year of yearbook production. This year we were able to meet our deadlines with a staff of only seven students, six less than last year. Our strong editorial staff is why this was possible. Ryan Malocha is our layout editor, Sara Catlett is photography editor, Aaron Coe is advertising editor, and Sharlene Luna is copy editor. Along with these students we had lots of help from Justin Smith, Robyn Webb, and Joe Todaro.

We have our annual published by Jostens,

with Jay Hollis as our sales representative and Chrys Brummal as our service representative in the Clarksville, Tennessee, plant. Our book is in a trim size of 8½X11 and consists of 216 pages with a 16-page spring supplement that is distributed in September. Our theme, "Chiaroscuro," evolved from our wish to use shadows in our graphics and occasionally with offset letters. We carried out this theme in copy as well whenever we could by referring to the shadows of the past and light of the present or future.

One treat for the yearbook staff this year was our trip to Richmond for the Virginia High School League Publications Workshop at V.C.U. However, even when we were working our hardest, such as at the deadline when we had to mail out sixty-eight pages with almost 1,500 photographs in it, we managed to have fun.

Welcomes tomorrow.**
